November 15, 2023

Mr. Richard Torgeson
Aviation Technical Services
3121 109TH ST SW
Everett, WA 98204

Dear Mr. Torgeson:

In accordance with title 14, Code of Federal Regulations (14 CFR), part 21, “Certification Procedures for Products and Articles,” subpart K, “Parts Manufacturer Approvals,” the FAA has found that the design data, which Aviation Technical Services based on test and computation as submitted in your letters dated May 22, 2023, and June 21, 2023, meet the airworthiness requirements of 14 CFR applicable to the products on which the articles are to be installed. Additionally, the FAA has determined that Aviation Technical Services has established the quality system required by § 21.307, “Quality system,” at 3121 109th ST SW Everett, WA 98204. Accordingly, the FAA hereby grants Parts Manufacturer Approval (PMA) to Aviation Technical Services for the production of the replacement articles listed in the enclosed Supplement No. 103.

You are reminded that the provisions of 14 CFR parts 21 and 45, noted in our PMA letter of approval dated October 26, 2015, also apply to the enclosed PMA Listing—Supplement No. 103. The enclosed supplement should be retained with the original PMA letter as evidence of approval to produce the articles concerned.

Sincerely,

for Douglas D. Tilford
Acting Manager, Seattle Certificate Management Section
West Certificate Management Branch
System Oversight Division
Aircraft Certification Service

Enclosure
PMA Listing—Supplement No. 103.
